CX-1308
Manual Heat Sealer

THE BENCHMARK **COUNTERTOP SEALER.**

Copied, but never duplicated, the CX-1308 is built in the tradition of quality and ease of use that Oliver is known for industry-wide.

Part of our Made in the USA equipment line, the CX-1308 brings our guaranteed seal into a compact, powerhouse format. Plus, you can quickly switch tray carriers for a variety of meals and snacks.

So simple to setup, you will be knocking out sealed trays the same day it is delivered

At up to 8 trays per minute, you can seal hundreds of trays each and every day

Manual lever with even-compression heat-seal platen delivers worry-free, guaranteed seals*

Seals and cuts film in one easy step, no unsafe, post-seal cutting operation required

Maximum durability from stainless steel and aluminum construction

Supported with the industry's only Factory-Direct Service and 24/7 Tech Support line

Ideal for:

- School Nutrition
- Senior Meals
- Food Service Providers
- Retail
- Corrections
- Businesses and Industry Programs
- Grab-and-Go
- Healthcare

*Seals guaranteeed when combined with Oliver trays and film
